

THE BUZZ

2022 MEMBERSHIP DRIVE NOW IN FULL GEAR

This is the most important time to join GHNA or renew your membership. Join your neighbors who choose to support the GHNA and Crime Watch. We look forward to another year of building a stronger community. GHNA delivers the infamous “M” Sticker auto decal, hosts neighborhood meetings and events, keeps members in-the-know about important activities that affect our neighborhood, coordinates and supports our network of Block Captains, and more.

The number of Crime Watch memberships received in Q1 strongly influences the GHNA annual budget for these patrols. Last year was a particularly concerning year with our 2021 membership finishing at one of our lowest levels on record: 22%, which translates to a little more than 2 hours of patrols a day—not nearly enough hours to maintain the low-level crime rates to which Greenland Hills is accustomed.

Our GHNA Crime Watch Director of 25 years, Michael Malouf, recently said, “Certainly one thing that makes Green-

land Hills a desired and coveted neighborhood is the shared experience of community and security. When you compare the general safety of Greenland Hills vs. crime levels in other Dallas neighborhoods, the differences did not happen by accident. It is a direct result in consistently funding our venerable ENP Crime Watch program. The more neighborhood communication in concert with more police vigilance, the less crime. This is your opportunity to become a part of the safety network and make your neighborhood more desirable.”

This is an especially critical time of year for GHNA and our Greenland Hills Crime Watch program. In partnership with the Dallas Police Department, our GHNA Crime Watch Committee contracts with off-duty police officers to provide a consistent police presence in Greenland Hills.

ABOUT CRIME WATCH

Greenland Hills’ Crime Watch /ENP program is proven to deter crime. Crime Watch is funded by annual voluntary membership dues that go toward the coordination of Extended Neighborhood Patrols (ENP) by off-duty Dallas police officers, as well as networking within the neighborhood to make residents aware of suspicious activities. Our goal is to facilitate and galvanize an active, connected, and safer community.
